

## Specialized in

**NDT, Welding & Quality Control Training, Qualification, Examination & Certification of Proficiency**

Centre under Guide Lines of ASNT (SNT-TC 1A) for NDT Level-I & Level-II training and Certified Welding Inspector (CWI) training as per AWS (American Welding Society)

### Training Courses, We Conducts & Fees

Sr. No	Course name	Level II course fees	Exam fees level II	Total fees	Minimum training duration
<b>NDT COURSES [ASNT (SNT-TC 1A)]</b>					
1	LIQUID PENETRANT TESTING	4500	500	5000	24 HRS
2	MEGNETIC PARTICLE TESTING	4500	500	5000	24 HRS
3	RADIOGRAPHIC TESTING	8000	500	8500	80 HRS
4	ULTRASONIC TESTING	9000	500	9500	80 HRS
<b>NEWLY ADDED COURSES</b>					
5	CERTIFIED WELDING INSPECTOR (AWS/CWI)	10500	500	11000	70 HRS
6	BASIC FABRICATION & PRODUCT TECHNOLOGY	9000	500	9500	48 HRS

### NOTES :

1. ELIGIBILITY FOR NDT COURSES: Engineering Degree, Diploma, Science Graduate or High School pass.
2. Near vision acuity: candidate should be capable of reading a minimum of "Jaeger number 1" size letter at the distance not less than 300mm (near vision acuity test will be conducted by us).
3. Color vision test: candidate should be capable of distinguishing and differentiating and contrast among colors using "Ichihara's chart"
4. For level II certification: candidate has to complete level II training + general, specification and practical examination successfully.
5. We offer vocational training, Implant training & project training to Engineering students.
6. We also provide job opportunities in field of NDT, QA/QC & Welding in our company.
